

For my most precious Valentine.

Your love is like the ocean so vast so great.

Your beauty like fine wine so sweet to the taste.

God only knows the love I have for you.

I cherish this love so sweet so true.

Love extinguishes hate love strong as a fire.

You are my passion you are my desire.

When I think of you my heart goes pitter patter.

You are my darling dear the one thing that really does matter.

When I hold you in my arms you charm me with all you do.

All of my love, my love is all for you.

No hurricane no earthquake nothing could tear our love down.

Our love is like a river with its soft and tender sound.

If our life were separated, God will keep you well.

Our souls are sealed to God on the day our lives may have fell.

For though I may love you deeply with all my earthly heart.

The truest love I know is Jesus that gives us a fresh start.

Though our earthly bodies may crumble as they tire with our age.

God is there to renew us like a lion from its cage.

When we meet again on the rainbows other side.

God will show us his glory from a face he will no longer hide.
