

# Our Great God!!!

God is great during our seasons of rain.

God is great in unstoppable pain.

God is great in seasons of want and during desire.

God was there with three lads in the fire.

God was there with Abraham.

God is with you and he has a plan.

God was with Job when all was lost.

God raised Joseph from the well with a slight cost.

God protected Joseph in a far away land.

God wants you to read the Bible so you understand.

God wants more than you in front of the TV.

God loves you and God loves me.

God loves Marines in Christ and soldiers on the battlefield.

God knows when we pray He is our protector and our shield.

God will be there in blasting heat.

God will spare you when you don't have food to eat.

God is there when evil casts a wicked spell.

God travels into prison gates to the depths of hell.

God is with you in night seasons when you sleep.

God only knows how much seed a harvest will reap.

God will bless you when all others fail.

God will bless you when you crash and your train derails.

Wherever you go in the hardest of times God is with you.

amen... Written by: Dale Lee Gordon, June 7, 2014,
